**The Farm & Home™ 5, 10, 20, and 30**  
have been designed with you in mind.

- The **Farm & Home™** backpack sprayers are designed for your comfort, ease of use, and long life. Two models are available: the Piston pump and the Diaphragm pump.
- The Piston is an external pump capable of generating 120 psi of pressure
- The Diaphragm is an external pump, totally sealed for safety, capable of generating 70 psi of pressure.
- The pump handle is designed to fit the angle of your wrist to increase comfort and reduce fatigue.
- The **Farm & Home™** backpack sprayers are 4-gallon sprayers capable of handling most jobs.
- The spray guns are fully serviceable and do not require any tools.
- These units are fitted with Viton® seals for chemical resistance and extended life.

- The sprayers drain from the bottom of the tank allowing you to virtually empty the contents of the sprayer.
- The units are simple to maintain and service for your ease and convenience.
- Units capable of pressures to 40 PSI.
- The adjustable brass spray nozzle adjusts from a stream to a cone spray. Spray extends 15 to 20 feet.
- These units are fitted with Viton® seals for extended life and chemical resistance.
