## INFO STICKS

Info Sticks hold picture labels either vertically or at 45°. Label is very easily and quickly clipped into position over non-return prongs. The label is securely held and will not spin, be blown or pulled out easily. The label pivots on prong and the customer can read the back of the label without pulling the stick out of the soil.

Perfect for both greenhouses and garden centers, these patented markers can be displayed anywhere. The cards are available in five eye-catching colors which are great for color coding items by prices or descriptions. The stakes can be bent at an angle at the top to allow customers to read the card without bending over. Also, the bottom of the stake can be easily bent at a 90° angle so your sign can be placed under flats or pots. Stakes are made of durable 9 gauge galvanized steel and the cards are made of heavy duty, U.V. resistant 4mm corrugated polypropylene.
